23. Which elements of this course had the most positive impact on your engagement and/or learning?

None

My professor had the most positive impact because I felt like I could really understand the material from the way I was being taught.

The lecture videos

All

Recordings of lectures

I really like how welcoming our professor was! He always let us know that he was there for us if we had any questions or if we needed help.

I really liked the slides and how the questions helped me stay connected

24. Which elements of this course could be improved to have a more positive impact on your engagement and/or learning?

More assignments for students who are traveling in the summer and are not able to join the zooms every week. I didn't even feel like I was taking a class this summer.

I think it's already good.

nothing it was a very good class

I don't think anything could be improved it was a great class.

It's great the way it is

I think that the current elements of the course are perfectly fine.

I liked everything maybe longer
